Counsel reports a liquidation value of zero and trustee concurs.

Debtor told of the continuing obligation during the term of the plan to report immediately, thru counsel, any changes in financial/economic circumstances, such as, but not limited to, increases/decreases in income, acquisition of assets/property by whatever means.

Debtor(s) advised that if for any month a payment is made in an amount different than scheduled (higher, lower, corresponding to a tax refund, bonus, or otherwise) he, she, they must so state when making the payment.

Matter:

1. Debtor appears to be mixing exemptions -state and federal- when in Schedule A/B when describing the realty, she alludes to a homestead act and in Schedule C, she omits the realty and uses federal exemptions for the personal property. Will amend schedule A/B to delete the reference to local homestead exemption.
